WELCOME TO OUR FRIENDS

We are very pleased to have with us once again, not only our competitors, but many of our skating friends, who, having performed most creditably on skates, now devote most of their time to administration and judging, not only in Great Britain but all over the world.

Most of them have kindly attended before and we feel honoured that they are prepared to come once again to officiate, so much for the friendships created by skating and a tribute to the typical Sports-Drome atmosphere. To those from the Continent, especially, we trust you enjoy your brief visit, that your travel has been comfortable, and your return will be likewise. Last year we were pleased to welcome for the first occasion skaters and a judge from Poland. This year we welcome skaters and a judge from Italy; whilst this is not unusual, it is the first occasion these skaters have competed. Happy have we met, happy may we be, and happy may we part! May these be your feelings.

No doubt many of us will meet again in some other country.
